ANIC Strongly Condemns the Terrorist Attack on Muslim Worshippers at the Finsbury Park Mosque in London

The Australian National Imams Council (ANIC) strongly condemns the horrific terrorist attack on Muslim worshippers yesterday night at the Finsbury Park Mosque, North London in the Holy Month of Ramadan.

This cowardly act is aimed at disuniting the Muslim and the non-Muslim community. ANIC calls upon all Muslims and non-Muslims to stand united against any form of violence and attempts to cause disunity.

As demonstrated by this vile and evil attack, terrorism does not belong to any religion or faith.

ANIC urges those impacted by the heinous attack to continue to display calmness, refrain from violence and stand united with all people who stand against hate crimes.

Our prayers and thoughts are with the family of the victims and the injured.
