An Islamic Perspective on Helping with Clean Up Australia Day

The Prophet Mohammad (Peace Be Upon Him) Said:

"Iman (Faith) has over seventy branches, the uppermost of which is the declaration: 'None has the right to be worshipped but Allah'; and the least of which is the removal of a harmful object from the road"

[Al-Bukhari and Muslim].

Based on the above Hadith (Prophetic Saying), the Australian National Imams Council (ANIC) encourages all Australian Muslims from all States to participate in the Clean up Australia Day on Sunday, 3 March 2019.

Cleanliness is an essential ritual of Islam and Eman (Faith), Islam highly encourages spiritual and physical purification, in addition to this, it's important for Muslims to always be positive contributors to the country they reside in.

Clean up Australia Day is a great initiative in cleaning the streets, parks, road etc and also an initiative that brings all Australians together.
