The Grand Mufti of Australia, Dr Ibrahim Abu Mohamad, and the respected Imams of the Australian National Imams Council, acknowledge the different opinions amongst the scholars on this topic and that not all Imams and schools of thought agree on the criteria and methodology used in determining the beginning and the end of the Holy Month of Ramadan, including prominent member Imams from the Australian Fatwa Council and Australian National Imams Council. Therefore, the Australian National Imams Council and the Grand Mufti of Australia call upon all Muslims to respect these differences by avoiding debates that lead to disagreements and misunderstanding amongst the Muslims. We urge the Muslim community to focus on their unity and what brings them closer to Allah the Almighty and their religion.

The Grand Mufti of Australia, Dr Ibrahim Abu Mohamad, and the respected Imams of the Australian National Imams Council, wish the Muslim community a happy, joyful and blessed Eid Al-Fitr. We also encourage the Muslim community to engage with their fellow neighbours and friends in displaying the true and peaceful image of Islam.

May Allah accept your fasting and worship in the Month of Ramadan & EID MUBARAK

The Grand Mufti of Australia
Chairman of the Australian Fatwa Council
