**ANIC and the Australian Muslim community unequivocally condemn tonight's attack on Bishop Mar Mari Emmanuel**

**The Australian National Imams Council (ANIC) and the Australian Muslim community unequivocally condemn tonight's attack on Bishop Mar Mari Emmanuel while delivering a mass at Wakeley's Christ The Good Shepherd Church in Sydney's west.**

**These attacks are horrifying and have no place in Australia, particularly at places of worship and toward religious leaders.**

**Our thoughts and prayers are with Bishop Emmanuel and the victims and we pray for their speedy recovery.**

**We urge the community to stay calm and work together towards the safety and the security of all Australians.**
